

Life of the Party

Sure! But the thing is...

Did you know?

Stumbling blocks like peer pressure and misconceptions are reasons that may lead one to give in to the temptation of drugs. Do you relate more to Claudia or Trish? CNB's #LiveFor campaign highlights that when you have someone or something to live for, you will not recklessly throw your life away to drugs.

Contest

Be like Claudia – don't live for popularity or others' validation. Tell us what you live for and how that keeps you away from drugs in CNB's #DrugFreeSG Light-Up Instagram Filter contest. There are \$300 worth of Grab vouchers to be won! Scan the QR code below to find out how to participate.

The contest ends on July 18, 2021, so send in your submissions now!
