- Singapore Polytechnic
- DrugFreeSG Light-Up and Pop-up
- Community Libraries (South)

Anti-Drug Ribbon Folding Activity: July to September 2022

Pledge to the anti-drug cause by making your own anti-drug ribbon in school

What is the International Day Against Drug Abuse and Illicit Trafficking?

Also known as World Drug Day, this event is observed across the globe every year on June 26 to raise awareness and strengthen efforts to achieve a world free from drug abuse. In Singapore, that's the day when the community makes a stand against drugs by lighting up their buildings with the anti-drug colours green and white. Anti-drug ribbons are also distributed in schools for students to make a pledge for a DrugFreeSG.

P.S. Check out the DrugFreeSG Light-Up last year!

Be on the lookout for upcoming fun anti-drug events and activities around the island!
